Highlights

Espresso and long coffe

Whether you want to enjoy a an espresso or a long coffee - your favorites are accessible with a touch of a button

Adjustable grinder

5 adjustable grinding preferences, from the finest for a full bodied espresso to the coarsest for a lighter coffee.

Autocleaning and de-scaling

Easy to use includes easy maintainance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your automatic espresso machine.

One click removable group

The brewing group – a Saeco invention- is the heart of our machines, ensuring that the machine makes everything on its own. Thanks to its easy access, you can effortlessly remove it for regular cleaning with just one click.

Color coded user interface

Enjoy direct and clear interaction thanks to the self-explanatory icons display. For maximum convenience the icons are colored according to the thrafflic light colors: Red requires action, Yellow means the coffee machine is "busy" (like heating up). Green is ready to use.

Coffee customization

Saeco machines offer you the possibility to customize the coffee exactly the way you like it - from the most intense espresso to a mild cup of long coffee.

Compact and stylish

Compact and stylish the Syntia coffee machine is designed to delight both your palate and your eyes - the perfect fit for a modern kitchen.

Ergonomic day-by-day

Saeco is a synonym for convenience: refilling beans or water, emptying the coffee-dump box or the drip tray, all compartments of the full automatic coffee machine are directly accessible.
